

Pre-Doctoral Research Fellowship in Pharmaceutical Sciences **Award Description**

The primary goal of the AFPE Pre-Doctoral Research Fellowship program is to positively impact patient and public health by supporting high performing students who possess the skill and aptitude to become outstanding scientists and leaders in the pharmaceutical industry, academia, and the government/nonprofit sectors.

The awards are given to individuals who, in the judgment of the scientific review panel, have met the following criteria:

- Demonstrated superior academic achievement and a have high overall ranking within their department
- Have exceptional basic science knowledge
- Show high potential and commitment to becoming outstanding pharmaceutical scientist
- Display strong leadership
- Have prior research experience
- Demonstrate strong laboratory skills relevant to their discipline
- Display honorable personal character and ethics
- Exhibit strong interpersonal and collaborative skills
- Have strong written and oral communication skills
- Have submitted a compelling, novel, relevant and feasible research proposal that advances science and ultimately improves patient and public health

Please note:

- In the previous award cycle, the average GPA of awardee recipients was 3.8.
- 86% of awardees from the previous award cycle had one or more publications.

- Accounting report by **September 30, 2021** indicating how the stipend was used.
- Progress or final report about the research project by **June 30, 2021**.
- Acknowledgement of AFPE's support in publications resulting from the studies carried out during the period of their AFPE Fellowship.
- Information on their employment and the current address where they may be reached following receipt of the Ph.D. degree.
- Student must have a LinkedIn profile and connect to AFPE

SELECTION CRITERIA

Applicants are selected by the AFPE Board of Grants based on the following criteria. Selection will be made based on the application as a complete package representing the applicant's potential to contribute to the field and ultimately impact patient and public health.

Components of selection include, but are not limited to, the following:

- Research Plan and Experience (50%)
- Academic Performance (35%)
- Leadership and Character (15%)

RENEWAL OF AFPE PRE-DOCTORAL FELLOWSHIP

If you were awarded an AFPE Pre-Doctoral Fellowship in 2019 and wish to re-apply, please email Sarah Devereaux-Hardimon at hardimon@afpepharm.org for the renewal link.

SPECIAL NOTES

Funds provided for AFPE Fellowships are awards from the American Foundation for Pharmaceutical Education. The Foundation derives its income from voluntary contributions from individual, pharmaceutical and related industries, and foundations. The Foundation currently accepts no funds from governmental sources.
