

2022 GATEWAY SCHOLARSHIP APPLICATION CERTIFICATION

In submitting this application, all signers below confirm compliance with the below eligibility requirements:

1. Nominated student is enrolled full-time in either a) a Pharm.D. program, has completed at least two years of college, and is enrolled in at least the first year of the professional pharmacy curriculum, or b) a baccalaureate degree program and has completed at least one year of its degree program.
2. Student is nominated by a faculty member in either a) a School of pharmacy accredited by the American Council on Pharmaceutical Education, or b) any college awarding baccalaureate degrees. Faculty member is actively undertaking research in the pharmaceutical sciences
3. The Scholarship will be carried out in accordance with the proposal submitted. If substantial changes are necessary or desirable, AFPE will be notified promptly.
4. All unspent funds will be returned to AFPE if the Scholarship cannot be completed as outlined.
5. Nominating faculty member agrees to mentor the student in the proposed research during the entire one-year award period, as required.
6. Department Chair, as head of the department or school in which the project is to be undertaken, affirms that the facilities, equipment and supplies necessary to carry out the proposed research will be made available to the mentor and the research scholar during the award period.
7. Student must be enrolled for at least one full academic year after initiation of the award.

By signing below, I agree to the above terms and certify that all information contained on this application is accurate to the best of my knowledge.
